EDUCATION OF THE PEOPLE.

XXX. Showing, by County Districts and District Electoral Divisions, the Population of the County, according to Ages, Sexes, and Degrees of Elementary Education .. 101

XXXI. Showing by Parliamentary Divisions the Population of the County according to Ages, Sexes, and Degrees of Elementary Education 113

XXXII. Showing the Population of the Principal Towns (not being Urban County Districts) in the County, according to Ages, Sexes, and Degrees of Elementary Education .. 113

XXXIII. Showing, by County Districts and District Electoral Divisions, the Total Population of the County, according to Religious Professions, Sexes, and Degrees of Elementary Education; also the Population, Nine Years of Age and Upwards, and the Number and Proportion per cent. of these who were Illiterate 114

XXXIV. Showing, by Parliamentary Divisions, the Total Population of the County, according to Religious Professions, Sexes, and Degrees of Elementary Education; also the Population Nine Years of Age and Upwards, and the Number and Proportion per cent. of these who were Illiterate 133

XXXV. Showing the total Population of the Principal Towns (not being Urban County Districts) in the County, according to Religious Professions, Sexes, and Degrees of Elementary Education; also the Population Nine Years of Age and Upwards, and the Number and Proportion per cent. of these who were Illiterate 133

XXXVI. Showing for 1911 the Number and Ages of Persons who spoke Irish only, and Irish and English in each County District and District Electoral Division 134

XXXVII. Showing, for 1911, as compared with 1901, the Number and Ages of Persons who spoke Irish only, and Irish and English in each County District 141

XXXVIII. Showing, for the County, by District Electoral Divisions, the Number of Educational Establishments—Primary and Superior—and also the Number, Ages, and Religious Professions of the Pupils and Students—distinguishing resident from non-resident, and showing the nature of Education received—in attendance thereat, during the week ending 13th May, 1911 142

XXXIX. Summary of Educational Establishments 145

XL. Showing, by Sexes, the Number and Proportion per cent. to the Population under each Religious Profession of Persons receiving Instruction in Educational Establishments in the County, as constituted at each of the Censuses from 1881 to 1911 145

EMIGRATION.

XLI. Emigration from the County during each year, from the 1st of May, 1851, to the 31st of March, 1911 146

CENSUS OF IRELAND, 1911.

COUNTY OF TYRONE.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the (Administrative) County of Tyrone from the Census Returns of 1911.

SUMMARY.

Area.—The (Administrative) County of Tyrone covers an area of 806,919 statute acres, or 3·9 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the County of Tyrone, according to the Census of 1901, was 150,567; and according to the recent Census, 142,665 (71,738 Males and 70,927 Females), or 5·25 per cent. less than in 1901.

County Districts (Table VI.).—The following Statement shows, by County Districts (as constituted under the Local Government (Ireland) Act, 1898), the number of persons in 1901 and 1911, and the increase or decrease during the decade:—

County Districts.	Population.		Increase or Decrease between 1901 and 1911.		
	1901.	1911.	Number.		Rate per cent.
			Increase.	Decrease.	
Cookstown Urban	3,639	3,685	46	·	1·3
Dungannon Urban	3,694	3,830	136	·	3·6
Omagh Urban	4,789	4,836	47	·	1·0
Strabane Urban	5,033	5,107	74	·	1·5
Castlederg Rural,	11,789	11,161	·	628	5·3
Clogher Rural	14,316	13,744	·	572	4·0
Cookstown Rural	19,976	18,831	·	1,145	5·7
Dungannon Rural	28,869	26,420	·	2,449	8·5
Omagh Rural	33,764	31,604	·	2,160	6·4
Strabane No. 1 Rural	20,363	19,532	·	831	4·1
Trillick Rural*	4,335	3,915	·	420	9·7
Total.	150,567	142,665	·	7,902	5·2

* Formerly Irvinestown No. 2.

From the foregoing Statement it will be observed that there was an increase in four County Districts, viz., 1·3 per cent. in Cookstown Urban, 3·6 per cent. in Dungannon Urban, 1·0 per cent. in Omagh Urban, and 1·5 per cent. in Strabane Urban; but a decrease in 7 County Districts, ranging from 9·7 per cent. in Trillick Rural, and 8·5 per cent. in Dungannon Rural to 4·0 per cent. in Clogher Rural, and 4·1 per cent. in Strabane No. 1 Rural.

Families and Houses (Table VIII.).—The number of distinct Families in the County at the time of the late enumeration was 32,340, the average number of persons in a family being thus 4·4. The number of Inhabited Houses was 32,190, showing an average of 4·4 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 23,837, or 73·7 per cent. of the total number of Families in the County; and of these 1,348, or 4·2 per cent. of the total number of Families in the County, were occupiers of one room; 8,613, or 26·6 per cent., occupiers of two rooms; 8,571, or 26·5 per cent., occupiers of three rooms; and 5,305, or 16·4 per cent., occupiers of four rooms.

The number of Tenements of One Room in the County was 1,348, comprising 509 cases, in which the room had only one occupant; 617 where the room had 2, 3, or 4 occupants; 180 cases in which there were 5, 6, or 7 occupants; and 42 cases where the occupants exceeded 7 in number, including 5 cases of 10 persons, 2 cases of 11 persons, and 2 of 12 or more persons in the room.

Civic Areas.—Towns having, in 1911, a population of 2,000 and upwards, are classified as Civic Areas. The County contains four such Areas, viz., Cookstown, Dungannon, Omagh and Strabane. In 1901 the population of these Areas amounted to 17,155. In 1911 it was 17,458, showing an increase of 303 persons, or 1·8 per cent.; but in remainder of the County there was a decrease of 6·2 per cent.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 1,841, or one in every 82 of the population; of this number 875 were inmates of Workhouses, and 966 were in receipt of Outdoor Relief. In 1911 the number returned was 1,329, or one in every 107 of the population; 738 of these being in the Workhouses, and 591 on Outdoor Relief, which figure includes 40 children Boarded-out.

The Sick (Table XII.).—In 1901 the number of persons in the County of Tyrone returned as Sick, on the night of the Census, was 982, or one in every 153 of the population. In 1911 the number so returned was 783, or one in every 182 of the population; of the latter number 481 were at their own homes, and 302 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of marriages registered in the County of Tyrone during the ten years ending 31st March, 1911, was 7,288, equal to an average annual rate of 5·0 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the County during the ten years was 30,094, affording an average annual rate of 20·5 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 26,663, being equal to an average annual rate of 18·2 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the County in 1911, 87·9 per cent. were born therein; 8·8 per cent. in other Counties of the Province of Ulster; 0·6 per cent. in Leinster; 0·2 per cent. in Munster; 0·3 per cent. in Connaught; 1·7 per cent. in Great Britain; and 0·5 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the County of Tyrone in 1911:—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics	79,015	55·4
Protestant Episcopalians	32,386	22·7
Presbyterians	26,514	18·6
Methodists	2,863	2·0
All other Denominations (and Religion unascertained)	1,770	1·2
Information Refused	117	0·1
Total	142,665	100·

From the above Table it will be seen that of the total population of the County in 1911, 55·4 per cent. were Roman Catholics; 22·7 per cent. Protestant Episcopalians; 18·6 per cent. Presbyterians; and 2·0 per cent. Methodists. In 1901 Roman Catholics formed 54·7 per cent.; Protestant Episcopalians, 22·5 per cent.; Presbyterians, 19·7 per cent.; and Methodists, 2·1 per cent., of the population of the County.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates, the age of 9 years has now been substituted for the age of 5, which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this County, are:—

——	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and Write ..	98,194	82·7
Read only ..	6,814	5·7
Illiterate	13,785	11·6
Total ..	118,793	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 17·4 in 1891, and 14·2 in 1901, had fallen to 13·7 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the County of Tyrone returned as being able to speak the Irish Language in 1911 was 7,584, representing 5·3 per cent. of the total population of the County.

Table XXXVI. gives for the first time, by District Electoral Divisions, the information available regarding the Irish Speaking portion of the population; while Table XXXVII. shows, by County Districts, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the County of Tyrone, according to the Census of 1901 (week ending 11th May), was 17,073. In 1911 the number returned (for week ending 13th May) was 19,956.

Emigration Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Tyrone, amounted to 10,539 (5,643 males, and 4,896 females); the number for the decade ending 31st March, 1901, was 12,598; for that ending with March, 1891, 28,960; for that ending with March, 1881, 29,674; for that ending with March, 1871, 23,722, and for that ending with March, 1861, 39,629, making a total of 145,122, for the sixty years.

WILLIAM J. THOMPSON, *Registrar-General.*

(a.) The Civic Areas comprise all Municipal Boroughs, Urban Districts, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or second class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

TABLE IX.—Showing the total number of OCCUPIERS (or HEADS of FAMILIES) in occupation of less than 5 rooms in each *COUNTY DISTRICT* in the County of TYRONE in 1911.
